

# Vermilion Parish

Vermilion Parish is centrally located in the southern part of Louisiana immediately adjacent to the Gulf of Mexico. This proximity to the Gulf makes the parish an ideal location for the numerous companies needed to serve this region's oil and gas industry. Vermilion Parish's Opportunity Zone is located in the heart of historic downtown Abbeville. Within the shadow of one of the largest fishing ports in the US, Abbeville's restaurants are known for their fresh seafood caught in the Gulf of Mexico.
