Economic and Community Development

Sara gave the Board an update on the Gauge project she let them know that as they are getting closer to construction they are meeting with the each os the Parish involved to see if they are still willing to take over maintaince and operation the the gauges. So far they have met with St Landry, Evangeline and St. Mary and Teche Vermilion Frsh Water District. St. landry and Evangeline decided the cut the gauge location that are within the Mermentau St. Mary is still making their decision. However after emails and call they have been unsuccessful in getting a meeting with Acadia Parish. Sara let the Baord know that she did not want to go to construction on gauges that did not have someone to longterm operate and maintaie the 8 location within Acadian parish. Sara stated that at the management Meeting Monique asked if we could reach out to UL's Dr. Robert Miller to make sure that if the gauge locations were cut if it would have a larger effect on the system. She let the Board know that they did reach out to Dr. Miller and he indicated that the stage gauges would have not have a grater impact on the larger system.

GIS Presentation

Alicia gave the Board a presentation on the GIS work order system that they have been working on.
