LWI Region 5 CIP Subcommittee Meeting
Thursday, March 4th, 2021

The Regional Steering Committee of Watershed Region 5, Capital Improvement Program Subcommittee will hold a meeting on Thursday, March 4, 2021 at 10am. This meeting is in accordance with Louisiana Watershed Initiative activities and is integral to providing a sustainable, institutional basis to increase continuity, improve flood resilience, and enable more effective flood prevention within our region.

In an effort to reduce and limit the spread of COVID-19 in Louisiana, and to preserve the health and safety of all members of the public, the Governor has declared the COVID-19 Public Health Emergency and ordered that it is necessary to limit public gatherings in a single place in an effort to avoid individuals being in close proximity to one another.

As a result of the public emergency, the limitations imposed on public gatherings and personal interactions, and the need for a number of members to travel to any physical meeting location from parishes where confirmed cases of COVID-19 have occurred, the Acadiana Planning Commission for Region 5 hereby certifies that in order to protect the lives, property, health, safety, and welfare of the citizens of Louisiana, it is necessary to conduct the Regional Steering Committee's Capital Improvement Program Subcommittee Meeting on Thursday, March 4, 2021 by teleconference or video conference.

Therefore, in accordance with Section 4 of Governor's Proclamation Number 30 JBE 2020: Additional Measures for COVID-19 Public Health Emergency, the Regional Steering Committee of Watershed Region 5 will hold its Capital Improvement Program Subcommittee meeting virtually for the public to participate. Regional Steering Committee of Watershed Region 5 will utilize the online Facebook Live platform <https://www.facebook.com/AcadianaPlanningCommission/>.
